

**July 2009**

This is just a quick note to say **Happy Fourth of July!**

In addition to taking a moment to remember what this weekend truly means to all of us as citizens of the United States of America, I hope you have a fun and safe weekend!

Pictured to the right is a sample of what's coming this fall, hopefully it starts your day with a smile!

Please feel free to call, email, or stop by if there is anything I can do for you.

#### **4 Basic Rule of Firearms Safety**

- 1- Handle all firearms as if they were loaded.
- 2- Always keep the firearm pointed in a safe direction.
- 3- Keep your finger outside the trigger guard and off the trigger, until you have aligned the firearm's sights on a safe target and you have made the decision to fire.
- 4- Always be certain that your target and the surrounding area are safe before firing.
