

e4473 Now Available!

Thanks to [Coloseum Software](#), the creator of our compliance software, our clients are now able to enter their information and complete 4473 forms electronically - from home or on a kiosk in the Alpine Arms Office. Instruction and information regarding the new ONLINE e4473 Form can be seen [HERE](#). We will process your background check when you show a government issued photo ID upon arrival for your appointment.

To further enhance your experience with Alpine Arms, create a username and password on the site and your information will be recalled automatically when you login for future transactions!

The information completed via the online form is completely confidential and is built with the highest security. When you submit your 4473 Form, it goes directly to Alpine Arms and your information is NOT shared, sold, or offered to any other business or government agency.

2010 SHOT Show

The SHOT Show is the largest gun show in the country open for FFL Dealers, Law Enforcement, and select media, is taking place this week - January 19-22, 2010.

Alpine Arms will be there all week and the offices will be closed. However, we should be returning with lots of info and some new product lines for you to choose from, so check back in when the office opens on January 25th!

If you have any requests, or want us to bring back specific information or catalogs for you, please send an [email](#) and we will do the best we can!

4 Basic Rules of Firearm Safety

- 1- Handle all firearms as if they were loaded.
- 2- Always keep the firearm pointed in a safe direction.
- 3- Keep your finger outside the trigger guard and off the trigger, until you have aligned the firearm's sights on a safe target and you have made the decision to fire.
- 4- Always be certain that your target and the surrounding area are safe before firing.
